Test standards

All moulded Roku® products are compliant with UL94 HB standard for flammability.

Upholstered seat and back pads meet BS7176-2007 Source 0, 1 and 5.

All mattresses meet Crib 5. Crib 7 Option available.

All foams are Combustion Modified High Resilient fire retardant (CMHR).

Manufactured under ISO 9001 Quality Marnagement System.

Limited lifetime warranty
Limited lifetime warranty against manufacturing defects*.
To comply with the warranty always follow the manufacturer's guidance for cleaning and maintenance.

Roku® is rotationally moulded and changes in temperature may cause temporary changes in the shape of the product. Roku® may also display minor surface ripples which will not affect the performance of the product.
